### 7pc British Isles Honey/Espresso Gathering Table Set

This is the perfect setting to gather your family or entertain friends to dine in comfort and style! Large enough to seat a crowd, the pub height dinette opens to a 54" square with an 18" extension! Constructed in solid Asian hardwood, the durable table is styled with large turned legs and beveled edge top. Shown in a deep espresso stain combined with a medium honey finished top, these warm colors are designed to blend with most décor. The six contoured schoolhouse counter stools are styled with flat arrow back slats and turned front legs.
