Antigo Castered Cocktail Table

Fill your home with warm memories of days gone by with the "Antigo" collection. With the natural slate tiling and the "gunmetal" finish, you can bring back the memories of backyards and barbecue's of youth. The unique grilled shelf and range of tones within the tiles bring the outdoors into the warm comfort of your own living room. A welded steel frame with a baked epoxy finish gives the pieces the strength that the look demands.
