Avalon Redwood Living Room

The Avalon Redwood living room set from Futura Leather is a casual, contemporary collection that features deep seating comfort and double stuff pillow-top seats. The pillow pad arm will ensure lounging comfort. The collection is covered in Avalon, a minimally corrected Italian article with a subtle tone on tone tipping affect. It is 100% all leather, soft and supple to the touch and it is considered a high performance leather. This finely crafted Avalon Redwood set adds a touch of contemporary elegance to your home.
