## 3 Piece Set Dresser, Mirror and Chest

---

### Sorrento Bedroom Set

The Sorrento Bedroom set from Huntington Furniture has many design cues that are derived from traditional styling with a sense of urban relaxation. This collection features a burnished amber rustic cherry finish applied to Cherry veneers and select hardwoods, hand forged and bent scrolled headboard and mirror artistry accented with the subtly of cast shells motifs that are complimented by antique brass drawer hardware. Combining these elements with straight-line posts and pilasters, framed with overlay-framed moldings and boxed feet, the character of the Sorrento collection takes on a universally appealing transitional character. Featuring plentiful storage in the array of case pieces, top drawers that are felt lined with lower drawers being aromatically cedar lined, and each drawer being constructed with French dovetailed fronts and English rears, Sorrento also satisfies the requirements of the consumer. Sorrento, with its crossover design elements, appeals to the casual traditionalist, or the transitional consumer looking for a sense of warmth and artistry.
