### 5 Piece Mocha Dinette

The Quad Mocha collection from Intercon Furniture has a contemporary finish with a transitional look. This collection features very clean uncomplicated lines that coordinate well with many styles and moods. The mocha finish lends itself to so many colors today, and will easily blend with many decors. Crafted from oak veneers and solid birch, these pieces will provide strength and durability for years to come. This table is unique, as it has four self storing leaves that can transform into numerous configurations as this table can be used as a 54" round table or 54" square table. The pedestal base allows you to sit unrestricted by the table legs. This collection also features a coordinating slip top server which offers plenty of extra storage room.
