Turnberry Bedroom

The Turnberry Bedroom suite from Largo Furniture is a study in classical elegance. All of the pieces feature Roman-style columns with decorative feet, while the panel bed and mirror are designed with pediment tops. Crafted from poplar solids and cherry veneers, this collection is finished with an antiqued cherry stain to complete the look. Acanthus leaf carvings accents on posts, pilasters, under-top moldings and bed panel crowns were originally decorations on Greek architecture. This classic styling furniture dates back to the Renaissance. This collection also features French front dovetail drawers and English back dovetail drawers to provide strength and durability, felt lined drawers to protect delicate items, roller bearing drawer glides for smooth, dependable operation, and cedar bottom trays behind dresser doors for protection and organized storage. The dresser and night stand both have wood-framed inset marble tops, continuing the theme. A two-piece Armoire is available, as is a recently-introduced HD chest.
