## 40" Boulder Creek Oak Corner T.V. Stand

This charming TV stand from the Boulder Creek Collection is space saving designed to fit into most corners. Shown in a medium cinnamon oak finish, and highlighted with lightly burnished and distressed detailing, this Transitional unit will work with most home décor. A beveled glass door with an attached false-front drawer face opens to reveal three shelves, creating four compartments for media components. Picture frame moldings, raised panels, and antiqued black apothecary hardware complete the look. Also available in the Espresso finish.
