## 62" Espresso T.V. Stand

This charming TV stand from the Espresso Collection is design to be multi-functional! Shown in a rich brown Espresso finish, and highlighted with lightly burnished and distressed detailing, this Transitional unit will work with most home décor. Two beveled glass doors with an attached false-front drawer face opens to reveal three shelves, creating four compartments for media components. Both sides are recessed with book shelves to house your CDs, DVDs, books, picture frames or collectables. Picture frame moldings, raised panels, and oval metal hardware complete the look. Also available in the Boulder Creek Oak finish.
