Cherry Expressions Dining Room

The Cherry Expressions dining room collection from Tradewins Furniture is a beautifully hand rubbed set. Finished in lifestyle cherry, the beauty of the cherry accentuates the collection. This timeless shaker design makes this collection versatile enough to make numerous style statements from transitional, country or contemporary. The sleekly tapered dining room table with two 18" leaves is constructed from solid cherry. It is beautifully grained with a rich satin cherry finish that makes the top a striking dining room centerpiece and will provide years of carefree use. The rake back styled chairs are upholstered in a black fabric and feature high density foam for style and durability. Featuring subtle canister lighting behind glass doors, the china has ample storage on the shelves found behind the wooden doors. This 2-piece china also has been carefully crafted from solid cherry hardwoods and is built for strength and durability.
