Cherry Expressions Queen Panel Bed

With a beautiful mixture of clean Shaker styling and design elements from the Arts & Crafts movement, this set from Tradewinds offers quality silhouettes that are beautiful to behold and practical for everyday use. Crafted from Cherry solids that have been finished in a rich satin lacquer with matching wood hardware, the set features the rich aroma of cedar drawers with English Dovetail construction for durability. The armoire gives you the option of using it as a wardrobe with the clothing pole or to house your bedroom TV. The bed, specially made for Bernie & Phyl's, offers a beautiful high headboard with a platform-like footboard to give your room a cleaner, more open feel. This collection provides you with "Affordable Excellence" defined by the outstanding materials used, expert craftsmanship and impeccable attention to detail, all offered at a great value.
