## Simplicity Queen Panel Bed

The Simplicity bedroom collection from Tradewins Furniture is a beautiful, casual designed bedroom collection with panel drawer fronts and constructed from solid Northwestern Alder. This Bedroom is executed in a medium warm cherry finish and accented with bronzed finish hardware. All drawers feature full extension drawer glides and English dovetail drawer construction for long lasting strength and durability. The generous scale and design of the case items provides ample clothing storage. This collection also features an incredible storage pedestal style bed with six underbed storage drawers that is sure to fulfill all your storage needs. This style makes it flexible for your home décor.
