## Classic Elegance Bedroom

Modern elegance comes in a unique blend of transitional styles designed with the contemporary consumer in mind. Wood on wood drawer glides will ensure long lasting smooth operation, and drawer stops to protect the drawer from overextending. The solid drawer interiors also provide superior strength. Nightstand features three electrical outlets and a phone jack built into the top, hidden by a flip up panel, to conveniently charge cell phones and power other household items. The solid edges on the cases and burnished bronze hardware complement the classically clean lines of the Classic Elegance bedroom collection. These bedroom furnishings are fit for an upscale master bedroom or guest bedroom and are moderately scaled for the functionality that modern life demands. Beautiful, rich mid-tone brown finish provides the perfect backdrop for those who live in a casually elegant world.
