## Appalachian Hardwood Light Oak Queen Arch Bed

This American made Appalachian Hardwoods Collection is designed as an heirloom to be handed down to the next generation. You will be amazed at the amount of storage in this versatile, Transitional bedroom from Vaughan Bassett! Its simple lines and beautiful hand rubbed finishes will be in favor forever. Crafted in durable solid oak, this bedroom is shown in a hand rubbed, mellow light oak finish, with a lacquer top coat finish applied to all pieces. This set features solid wood fronts with white Russian birch drawer interiors with English and French dovetailed fronts and backs on a rite-trac drawer glide for years of trouble free service. Double deep drawers are great for easy storage of bulk items or additional clothing. Repeating the subtle arched design, a raised arch bed, a rake sleigh bed or mansion bed is available in king or queen size. A six drawer chest, nightstand, multiple dresser and mirror options, and entertainment chest completes this roomy collection. A great Value!
