## Barnburner 4 Merlot Queen Panel Bed

You will be amazed at the amount of storage in this versatile Transitional bedroom from Vaughan Bassett! Double deep drawers are hidden behind the façade of partitioned drawer fronts! Crafted in durable hardwood solids and select veneers, this bedroom is shown in a rich Merlot finish with brushed nickel hardware or also available in a mellow Cherry finish with round wooden knobs. The high profile dresser is topped with an arched panel mirror. Repeating the subtle arched design, a raised panel bed has capped posts detailed with reeded sides and is available in king or queen size. A five drawer chest, nightstand, and vanity dresser with side mirror completes this roomy collection. The Full/Queen bed will also accommodate full size rails on the inside setting, if needed. A great Value!
