This limited warranty includes a full replacement program for Guard-Master protector and new mattress (for residential use only) This is not a warranty of the retail establishment from which you purchased your mattress. All warranty claims must be submitted to Guard-Master. Warranty coverage is limited to North America

GENERAL TERMS AND CONDITIONS OF THIS FULLY INSURED LIMITED WARRANTY:

Guard-Master warrants to the original owner of the mattress protector and mattress (if purchased together) listed on the invoice, hereinafter referred to as "Customer", that if the mattress protector or mattress within ten (10) years from the date of delivery, becomes permanently stained or damaged from:

- ANY FOOD OR BEVERAGE NORMALLY CONSUMED BY HUMANS
- HUMAN OR PET BODILY FLUIDS

Should your Guard-Master mattress protector become permanently stained by causes listed in the General Terms and Conditions of this warranty during the warranty period, Guard-Master will service the stained area of the Guard-Master mattress protector. This service will include:

- Should the covered stain persist after laundering, our customer service representative will issue to you a refund authorization number and instructions for the replacement of your stained Guard-Master mattress protector. Once Guard-Master receives your returned Guard-Master mattress protector via a package carrier at customer expense, a replacement mattress protector will be shipped to you at Guard-Master's expense. The stained Guard-Master mattress protector must be laundered according to care instructions immediately prior to its return to Guard-Master. Replacement of the Guard-Master mattress protector is limited to two (2) mattress protectors during the life of the warranty.
- Please do not return the stained Guard-Master mattress protector to the retailer from which you purchased it.
- Should your Guard-Master mattress protector be defective due to manufacturing/construction failure during the warranty period, Guard-Master will replace the mattress protector.

MATTRESS WARRANTY COVERAGE:

Should your new mattress, purchased at the same time as the Guard-Master mattress protector, become stained by causes listed in the General Terms and Conditions of this warranty during the warranty period, Guard-Master will service the stained area of the mattress provided the Guard-Master mattress protector was in use at the time the stain occurred. This service will include:

- Guard-Master will have the stained area(s) serviced by a professional cleaning technician at no charge to the customer.
- If the technician is unable to remove the stain, Guard-Master may replace the mattress if the mattress is available. If the mattress is not available, the original owner may select a new replacement mattress equal in value to the original purchase price from the retailer from whom this warranty was purchased. Guard-Master cannot guarantee ticking or dye lot match for replacements.

Replacement of the mattress is limited to one (1) mattress only during the life of the warranty. Replacement of the mattress covered by this warranty fulfills all terms and conditions of warranty coverage for mattress and pad. All replaced items become the property of Guard-Master. The Customer may be given the option of a full refund of their Guard-Master Premium Mattress Protector purchase, in lieu of cleaning or replacement, should the owner decide to keep the original mattress in its present condition. NOTE: If the store has closed since the purchase, in the case of a claim, Guard-Master's liability will be limited to a refund of the purchase price of this warranty protection plan. Once a refund has been issued for the mattress, that will complete and fulfill all terms and conditions of the mattress protector and mattress warranty and all future claims will be void.
